

### **Blood Lines: Blood Kiss**

Fallen Angels Reviews: Five angels and a Recommended Read!!! "Readers will be drawn in and enthralled by the incredible mix of sensuality and darkness that fills the pages and makes your heart skip a beat. Mechele Armstrong has created a fantastic story that is hot, sultry, and fun to read. I am looking forward to reading any of her future stories."--Tammy, FAR

### **Blood Lines 2: Conduit**

Came in 2<sup>nd</sup> in the paranormal/time travel category in the 2006 Passionate Plume.

5 Angels and a Recommended Read from Fallen Angel Reviews *Conduit* is the second book in the *Bloodline's* series and not to be missed! This story kept me enthralled until the last word with the vivid imagery, passionate sexual encounters, and the fantastic characters. I know how some series are disappointments since the following stories never live up to the first, but let me assure you that this is not one of them. This story is as strong and powerful as the first and I am highly anticipating the third book of this series. I have to say that **Mechele Armstrong's** writing is only getting better and she is one author I cannot read enough of.—Tammy

### **Blood Lines 3: Crimson's Rose**

Enchanted Ramblings—5.5 magical wands I'm aware that I'm going to start sounding like a rabid fan-chick, but man! can Ms. Armstrong write. Hot characters, fast storyline, and a wonderful central romance all combine to make this a great story. Tee Bee

### **Dinah's Dark Desire**

**5 Lips from Two lips Reviews:** **Dinah's Dark Desire** is just about as hot as a hungry reader could ask for. **Mechele Armstrong** practically turns the reader inside out from the first sentence, and leaves her begging for more. Do NOT miss out on this one, which has appeal for almost all readers. The characterization is deep, the plot line is intriguing, and the sensuality is volcanic. Run out and get this one-immediately! It's a rereader for certain. –Frost

### **The Collector 1: Magical Chances**

5 Angels and a Recommended Read! *The Collector 1: Magical Chances* is a fabulous story that will have you believing in the power of magic. Chloe and Drake are both great characters with enough magic between them that it lights up the pages. Author **Mechele Armstrong** has done a marvelous job in bringing this story to life and giving the readers a chance to feel the emotions flowing through the characters. *Magical Chances* is the first book of *The Collector* series and I have to say that it's off to a great start and I cannot wait to read the second book *The Collector 2: Grave Heart* to see just what the collector has in store. This book is defiantly a Recommended Read in my book. 4 stars from Romantic Times Magazine Armstrong puts together an impressive bunch of characters. There's a magician who really does magic, a kick-butt heroine with a heart of gold and a mysterious collector who sets events into play in this hot, suspenseful novel. *Faith V. Smith*

### **Dinah's Christmas Desire**

4.5 ribbons: Readers of DINAH'S DARK DESIRE will love getting this chance to revisit Ian, Taylor and Dinah with this interlude of a story. The passion between this threesome is just as hot now as it was in the first book. In only fifteen pages, Mechele Armstrong gives us a fun fast paced interlude with beloved characters that gives us hope for their future. --Chrissy Dionne

### **Solstice Spell**

5 Lips **Solstice Spell** is an endearing romantic paranormal tale with an intriguing new twist. It combines elements of magic and shape-shifting with fascinating characters. Rupert and Gillian are endearing and the reader will hope for their very best happily-ever-after. Rupert shows excellent signs of emotional maturity following the wildness of his youth, which resulted in his curse. **Mechele Armstrong** pens another winner in **Solstice Spell**. Frost

### **Blood Lines Prequel: Currents**

5 stars from JERR: Currents is the prequel to the Bloodlines series. In it we learn how Henri Baptiste entwined with the rare treasure that is Nathan. When I read the first excerpt from this book, I had to blow down the front of my shirt and fan myself. Despite its being a male/male romance that excerpt, detailing the events of Henri and Nathan's first sight of each other, affected me as the hottest few paragraphs I'd ever seen. So I probably would have read this story even if it wasn't the prequel to one of my favorite series. The book didn't disappoint. It can be read as a stand alone despite its important place in the otherwise heterosexual *Bloodlines* saga. - Karen Haas

### **Blood Lines 4: Night's Journey**

*"edge of your seat read"* Mechele Armstrong has written one of the best vampire story lines I have read, "Ever". I love the way she writes the vampires in these stories as strong and passionate beings. And Theo, well he is pure "Heat", and I loved the way she made him human but having his own powers over Anna. I loved the fast paced chase and intrigue of this story. It keeps you on the edge of your seat wondering if they will be able to stop him in time, and if their feelings and love will be strong enough to last. I look forward to this author's next book, and can't wait until it comes out. Reviewed by Nicole Harvey

4 stars from Romantic Times Magazine: This interesting addition to Armstrong's Blood Lines

series features a number of familiar faces. Anna Grace is a fascinating heroine, and Theo is a nice match for her. The villain is quite evil, yet it's his cohort that steals the show. There's plenty of sex on all fronts, including same-gender sex --Susan Mobley

4 Stars from RT: Two bounty hunters after the same woman are the catalyst for a rollicking planetary adventure. Vibrant characters, witty dialogue and dangerous situations will have you laughing one minute and biting your nails the next. The passion between the characters provides some very steamy sex scenes, including M/M, M/F/M, oral, anal and double penetration. Armstrong's tale succeeds as an entertaining start to a new series. --Gail Pruszkowski

### **Settler's Mine 2: The Lovers**

Finalist in the 3<sup>rd</sup> Annual Passionate Plume in the sci-fi/fantasy/futuristic category.

4 Lips and 2 Peppers from Two Lips Reviews **The Lovers** is a fun and steamy sci-fi ménage romance. Zelda and Bren are both alphas in their own ways with steely strength that disguises their vulnerabilities. It is fascinating to watch the how control flows back and forth between all three during their moments of passion and when these three finally come together they will scorch you with their heat and leave you sweating at the end of each encounter. I found myself by turns frustrated, anxious and flushed from passion by the intrigue and love shared between Amory, Zelda and Bren. Get yourself **The Lovers** when you go shopping, you will find this wonderful universe and the characters irresistible! Note: While **The Lovers** is the second book of the *Settler's Mine*, series it can be read as a stand alone novel. However, reading both **The Rivals** then **The Lovers** is a lot more fun! --Bella

### **Veterans: Nothing to Lose**

Finalist in the 3<sup>rd</sup> annual Passionate Plume in the contemporary category.

5 Stars from JERR Nothing to Lose by Mechele Armstrong is a brilliantly written story of love, loss, and the power of forgiveness. Mechele Armstrong is a gifted storyteller who captures the reader's attention from the first paragraph and continues all the way through. This is a fast read but it flows easily from one scene to the next without any awkward moments. Richard Rollins has shut himself off from his feelings and the world, but his new neighbors Bryan and Nikki Gauld, can see there is more to him than meets the eye. When they set their sights on seducing him, their antics are both good natured and well meaning, even if they are pre-planned. As they slowly bring him out of his shell and back to life, Richard discovers that he is not the only one who has lost someone he loves. The sexual chemistry is off the charts, although some may find objectionable, there are some M/M scenes, as well as M/F/M. This is a heartwarming story that combines steamy sex, an in depth storyline, with a true happily ever after ending.--Stefani Clayton

### **The Sixth Curse of Spring**

4 Stars from Romantic Times Magazine Armstrong mixes reality and magic to weave a short yet sexy and entertaining story. Despite the low word count she fleshes out her characters and develop a convincing romance. She writes believable dialogue and provides enough background information to please readers. The ending is expected but still satisfying and well done.==Gail Pruszkowski,

### **Settler's Mine 3: The woman**

4.5 ribbons from Romance Junkies. Natasha said, "Mechele Armstrong wrote this intricate relationship in such a way as to be realistic and compelling. Add in a deceitful stepbrother as a villain hell bent on Kiann's destruction and readers will utterly enjoy this novel."
